Federal Complaint
A DEMAND FOR TRIAL BY JURY

REQUESTED HEARING DATE OF APRIL 18TH,2025

Now here comes the plaintiffs (President Donald J.Trump and Lasandra Norman, also known as Beyonc'e G Knowles, an song writer, producer, singer and more... given notice to all defendants that they are being sued pertaining to several violations of federal law. Defendants are as follows:

I. American Broadcasting Network, Television show “The View” is being sued by both plaintiffs for crossing a thin line that seperates the first amendment right to “Freedom of speech” an the right to Freedom of press, to directly defaming both parties on the daily basis in a false light directly to the Ameican public. Other news programs on this same network has displayed both complaining parties likeness, and music work without any permission from either party, one party being the United States of America, the other being a well known music artist. In this action, Both Beyonc'e and President Donald J. Trump, demand this network to stop their deceptive actions Now. The plaintiffs in this case wants these evil women off the air, and for them to stop acting like they are part of the United States government when they are not. Both President Trump and Beyonc'e do not want this network poisoning the minds of American people against both parties or anyone else for that matter any longer. As a part of this suit we are asking that this network be forced to cancell the show “ the view” as soon as possible. The network is also accursed of having a impersonator to speak during a democratic rally posing as beyonc'e, using my song “ freedom” during a political presidential race, implicating to the public that I was for one party over the other, when I was never against President Trump. ABC and the parent company Disney are now being sued for \$ 3 Billion for years of violations.

1

1 The plaintiff's also wants music video's, products bearing the image and name Beyonc'e removed from stores, phones, and cable until after trial by jury. The demand for a trial by jury is requested in this federal complaint.

II. CBS, The Recording Academy- The 67th grammy awards, aired February 2,2025 are now accursed of fraudulent practices, The Plaintiff here says that CBS used an impersonator to act like she was Beyonc'e, Beyonc'e G Knowles was NOT, repeat not in Los Angeles on February 2, 2025 at the grammy's awards, and now demands to know who has committed identity fraud against her. She also would like to know from this network, exactly what person was given a 100th grammy award and where are they now, because who ever it is, is not the real Beyonc'e G Knowles and she is also in violation of Copyright infringement, fraud, identity theft, and plain old theft. Who ever she is intently caused harm to The real and true Beyonc'e who is also known as Lasandra Norman. The plaintiff seeks \$3 Billion in damages for these major federal violations.

III. Google-Is being sued for providing false information on its search engine network about the name Beyon'ce G Knowles. The information provided by Google is nothing less than false. Who, what, where, and why are google providing false information about the plaintiff in this case, and whats in it for them to provide such lies to the public domain? Google is being sued for \$ 3 Billion for providing false information to the public for several years.

The plaintiff's complaint, states a claim that is short and simple, giving each defendant notice that they are being sued and² for the reasons stipulated above by three roman numerals. The president of the United States of America has given consent to be called an plaintiff in the above cause.

1 The Renaissance Movie produced by me, America has a problem (song) and I feel like falling in love (song) all rights reserved to the plaintiff by way of copyrights.

2 The plaintiff's suggest that this case will turn criminal, and reserve the right to proccute on a criminal level.
